Andy – Atlantic Richfield asked me to follow up with you to finalize another (Seventeenth) amendment to 88-16 as a mechanism to pay USGS surface water monitoring costs (April 2017 – March 2018). Mustering all of the many skills I have learned over the years, I have edited the last AOC Amendment to create the form for use this year.

The first word doc is the ‘clean’ 17th Amendment. The second is the 2017-2018 SOW that Charlie provided to Cord. Third file is my redline of the Sixteenth Amendment text to create the 17th Amendment. I have not checked to confirm whether Kelcey Land and Bill Murray hold the same positions; I just carried forward the three EPA signatories from the 16th Amendment (other than Andrea whose title I believe remains Supervisory Attorney). Please revise as appropriate.

When you are satisfied with the draft, please confirm and I will ask Ms. Gallery to sign. Thanks.

Bill
